Rules & Regulations

RULE I: GENERAL RULES

1. The following Regulations govern participation of shows in the association's point scoring system. All specifications not covered shall be in accordance with Regulations of the New England Horseman's Council Inc. At any show affiliated with the NEHC the Regulations of NEHC shall prevail over these.
2. Any changes or corrections to be made in the Rules and Regulations are to be submitted to the Rules Committee by November 1st. The Rules Committee will then submit their decisions and suggestions to the Board of Directors.
3. Any Recognized show which issues its prize list and begins its show before March 1st shall be governed entirely by the Rule Book of the previous year. Any Recognized Show which issues its prize lists before March 1st but begins its show after March 1st shall be governed by the current rules.

RULE I: SHOW AFFILIATION

1. Applications

- a. Application for affiliation shall be filed with the Secretary, postmarked at least 45 days prior to date of show, on a form supplied by the Association. In the event that any show fails to comply, the Secretary is instructed to notify all Delegates and Members that this show is not recognized by the Association and points shall not apply toward Annual Awards.
- b. RIHA Affiliation Fees are \$35, \$45, \$60 (for one, two, and three or more day shows). Applications for affiliation must include a check to the RIHA.

2. Prize List

- a. A tentative Prize list shall be filed with the application, or in any event, be forwarded to the Prize List Editor 45 days prior to the date of the show for classification, proof reading and date approval before printing and distribution. Prize lists not submitted and running any divisions or classes not complying with RIHA rules will not count for points towards High Score Awards. Names for TBA judges should be submitted to Editor or RIHA Secretary seven days prior to show. Any show failing to submit a proposed prize list 45 days prior to the show will be fined \$50 for the first offense, \$75 for the second offense and \$100 for the third offense. Until fines are paid, affiliations are held for the next year. Failing to make corrections to the prize list will be fined \$25.
- b. No changes may be added or changed after the prize list has received final approval by the Prize List Editor, unless the Prize List editor, Secretary, all exhibitors, all members of NEHC and competition website (if available) are notified in writing or electronic communication of such an addition or change at least 14 days prior to the date of the show to be considered for pointing. For classes being added and not to be pointed, competition management must advise exhibitors of the additions upon check in, post notices in office and make appropriate announcements during show.
- c. Prize lists must contain the names of judges and these judges must have formally accepted invitations to officiate. When more than one judge is listed, the prize list shall specify the divisions in which each judge shall officiate.

3. Proof of Insurance

- a. Any RIHA affiliated show must show proof of one million dollars in general liability insurance for each occurrence. RIHA must be named as "additional insured" and certificate must stipulate date of events. A copy of this certificate must be postmarked and mailed to the Administration Office (RIHA Secretary) two weeks prior to the first day of the show.
- b. Failure to comply with this rule will result in a \$200 fine and possible loss of show affiliation. Any upcoming RIHA Affiliated Shows for the offender may be revoked and the following years show affiliations will be in jeopardy.

4. Show Results:

- a. Complete horse show results (including all participants in a point class), accompanied with a check, must be sent to the RIHA Point Secretary and be postmarked seven days or less after the show.
- b. Show management that fails to comply with Show Return Form requirements and deadline will receive on first occurrence a warning, on second a \$100 fine and on third the affected show date will be taken away for the next year.

5. Show Cancellations

- a. Any show cancelled at any time, unless by act of God, will result in a \$100 fee.

6. Show Violations

- a. RIHA reserves the right to investigate allegations or complaints of rules violations or unsportsmanlike behavior by show management, show officials and/or members at any time. A member show found guilty of any violation shall be subject to penalty including, but not limited to, the following:
 - A vote of censure shall be listed under the member show's name in the RIHA Show Relations Record of Penalties. If found guilty of further violation the member show shall be liable to a heavier penalty than for the first offense.
 - Fine in an amount not to exceed three times the annual dues of the member show. Fines will be increased by \$25 for each repeated offense.
 - Suspension of affiliation for a period determined by the Board of Delegates.
 - Expulsion from membership in the RIHA.
- b. Shows who have not paid their penalties, by November 15th, will not be included as affiliated shows in the new book or supplement. Dates for affiliation will not be granted until fines of the previous year are paid.

7. Refusal of Affiliation

- a. Shows with debt to RIHA must pay the bank fee and \$75 office fee for returned checks within 15 days of notification. If this is not paid the show could lose the affected affiliation date for the next year.
- b. No person who has been suspended from running NEHC or USEF horse shows shall be granted affiliation.
- c. The granting, refusal or removal of RIHA affiliation of a horse show shall be at the sole discretion of the RIHA Board of Directors via the Affiliation Committee.
- d. No show shall be affiliated which has previously failed to fulfill the obligations to the Association outlined in these Regulations.

RULE II: SHOW DATES

1. Reserving

- a. Shows affiliated with RIHA the previous year may reserve the corresponding show dates for the current show year only by filing an application and paying the required fees before November 1st of the current show year.
- b. Dates not so reserved shall be open after November 15th and shall be awarded to the show first applying and paying the required fees.

2. Conflicting

- a. When two such shows duly apply before November 15th for conflicting dates, show dates to be allotted as follows:
 - If both shows were affiliated the previous year, to the show which had the corresponding dates the previous year.
 - If one show was affiliated the previous year and one was not, to the show affiliated the previous year.
 - If neither was affiliated the previous year, but one was formerly.
 - If neither was formerly affiliated, to the show whose application and fees are received first.
- b. In case of multiple shows applying for the same date and disciplines, it would be given to the show with the highest rating the previous year. Dates to be assigned on basis of show with the highest number of divisions with the highest rating.
- c. If a show has the same qualifying and Championship classes in a division on more than one day, this requires two separate show affiliation forms.

RULE II: SHOW RULES

1. Judges

- a. No judge may officiate more than three shows during one season for the same management.
- b. Any show using one judge may not require that judge to officiate more than 12 hours. If a horse Show Manager does not conform to this ruling, the points given in his show do not count toward the High Score Award.
- c. All Breed Shows may engage Recognized Judges from their Organization's Official Judges' List.
- d. All shows shall supply the judges with scoring cards for each class on which the complete specifications for the class are clearly printed.
- e. If a judge is physically unable to officiate, a substitution may be made. In the event that an announced judge cannot officiate for any reason, a written statement from the judge to that effect shall be obtained by the management and submitted to the Secretary of the Association.

2. Ringmasters

- a. The Ringmaster may not officiate in any division of a show in which he or a member of his family or any of his clients is an exhibitor.

3. Stewards

- a. All RIHA shows must have a USEF or NEHC recognized Steward in attendance at all sessions. Any show that has three areas working simultaneously should have two Stewards. Four or more must have three stewards.
- b. The name of the Steward must appear on the Prize List.

Contestants are required to be current members of the Rhode Island Horseman's Association, Inc. and meet requirements to qualify for the finals as noted for each division. Finals will be held at a designated show in the Fall. Each contestant will receive a medal by mail upon qualifying. The winner of a Medal Finals is no longer eligible to compete in that medal.

*Since the RIHA Medal classes are non-point classes, they will NOT be considered one of the classes in this division. All classes or divisions not conforming to the above chart would be rated “C”.
Lead Line & Walk-Trot Equitation divisions, because all 3 seats compete in it, would be rated by the highest rated Equitation Division at the show, i.e. if there are divisions for all 3 seats with the Hunt Seat rated “AA”, Saddle Seat “A” and Stock Seat “B”, the Walk-Trot would be rated “AA”.*

Division Ratings

Shows will be rated by the number of RIHA point classes and the money offered in each division. Different divisions, in the same show, could have different ratings, i.e. one division could be rated "A", another rated "B" and still another rated "C". Management may choose the rating of each division to offer. Each prize list must list, in a conspicuous place, the ratings in each division. Ratings to be in accordance with the following chart.
